Hi Bob,

I work as a real estate agent at Premier One Properties in Wenatchee, WA.

When I found Premier Property Maps, I was extremely pleased. It shows every single neighborhood in great detail. I hand them out to every client in great confidence they will have no trouble finding their way around Wenatchee and it's surrounding areas.

I am excited to receive more maps in the mail because we have already given out 100's of them! Thank you for doing such a great job and making an accurate detailed map of our valley!

Here is my information so you can mail me some more maps!

Thank you,

Kelly Stevens-Thompson
