Mr. Bob Sherby  
Premiere Property Maps  
Bremerton, WA

Dear Bob,

The response to your maps has been very satisfying to us and our clients. We are requesting an additional 100 maps each of Port Angeles, Sequim and Port Townsend.

The high quality material, bounty of information and overall presentation of your maps are excellent. We are proud to distribute them to our clients and business associates.

We appreciate the opportunity to work with you and distribute these maps. We look forward to seeing any new products you produce.

Best regards,
