Premier Newlocation & Remodel Guide

Rich,

We would be happy to distribute the maps that you and I spoke about this morning. For us to distribute them centrally from our Marysville Service Center we would need to have them pre-bundled in sets of 25-30. We have 16 libraries in Snohomish County so we would need 16 bundles. If you have any questions or need more information, please feel free to call or email me.
