Subject: Map Presentation to our office

Rich –

Thank you for delivering the maps yesterday to our office. Our Broker presented them today at our office meeting. Big Hit! May I get 25 each of the Issaquah/Sammamish, Redmond/Kirkland, Mercer Island/Bellevue. Also may I get 5 each of the Seattle North, South & Central.

I didn't see Snohomish County listed – Woodinville??

Is it better for individual agents to contact you . . . especially if they are looking for a big quantity? One agent asked for 100 but I thought I would start with 25 of each . . . and reorder when we make it through those.

Thanks so much
